BLOQUE A (Comprensión lectora)

Puntuación máxima: 4 puntos

Debe responderse a las 8 preguntas de uno de los 2 textos propuestos.

COMPREHENSION (4 points). CHOOSE TEXT 1 OR TEXT 2 AND ANSWER ALL THE QUESTIONS FROM THAT TEXT ONLY.

TEXT 1: DAYLIGHT SAVING TIME *KEY*

- 1 Spring marks many changes and, for many people around the world, the beginning of Daylight Saving Time (DST). The idea
2 behind the clock shift is to make better use of sunlight.
3 Benjamin Franklin is often credited as the first to suggest the change in 1784. When he was an American delegate in Paris,
4 he felt he was wasting his Parisian mornings by staying in bed after the sun had come up. He ironically proposed that the French
5 should fire cannons at sunrise to wake up people, so that they would go to bed earlier and use fewer candles at night.
6 It wasn't until resources became limited during World War I that Germany decided to go ahead with a clock-changing plan,
7 implementing the first DST in 1916. Most of Europe followed their example in a matter of weeks, and the United States did the
8 same in 1918.
9 Nowadays, DST still has fervent supporters who claim that it helps drive the economy. Conversely, it's often argued that, apart
10 from the legion of missed meetings and sleepy citizens, DST causes adverse effects on our health and safety. Studies reveal that
11 changing clocks brings about an increase in heart attacks and fatal car accidents. DST opponents even question whether there
12 have ever been energy savings at all.
13 All in all, the time shift is becoming more and more unpopular around the world, since people today are fond of going out after
14 work and it's obviously nicer doing so when it's lighter outside. Recently, a survey showed 80% of Europeans were against DST,
15 and every October the matter is a controversial topic, with people either expressing enthusiasm about sunny mornings or
16 complaining about shorter days.

TEXT 2: JUNETEENTH *KEY*

- 1 On June 17th, 2021, President Biden signed into law the bill that established as a national public holiday June 19th, Juneteenth
2 National Independence Day. Despite Juneteenth's storied history, the holiday had largely gone unnoticed by non-Black Americans
3 for long. It was the Black Lives Matter movement that pushed Juneteenth into the national spotlight, following decades of activists'
4 calls for recognition of the landmark occasion.
5 In 1863, during the American Civil War between the Union and the Confederacy, President Lincoln issued the Emancipation
6 Proclamation, which declared free more than three million slaves living in the Confederate States. More than two years would
7 pass, however, before the news reached African Americans living in Texas. It was not until Union soldiers arrived in Galveston,
8 Texas, on June 19th, 1865 that the town's residents finally learned that slavery had been abolished. The former slaves immediately
9 began to celebrate with prayer, feasting, song and dance.
10 The following year, on June 19th, the first official Juneteenth celebrations took place in Texas. They included prayer meetings
11 and the singing of spirituals, and celebrants wore new clothes as a way of representing their newfound freedom.
12 Since African Americans were prohibited from using public facilities, they often held their annual celebration of freedom at their
13 churches or out in rural areas around rivers and streams, which could provide for additional activities such as fishing, horseback riding
14 and barbecues. There were also visits to the cemeteries to reunite the freed and living with their dead and enslaved ancestors.
15 Having been commemorated for more than 160 years, Juneteenth has now become a date representing African Americans'
16 struggle for freedom and equality, as well as an occasion for family and community celebration.
